**Welcome reception at the City Hall:**

**Wednesday July 2, 19.00**

The City Hall, Hosted by the City of Göteborg: Lord Mayor of Göteborg would like to welcome all the delegates and accompanying persons at a reception in the City Hall – Börsen, at Adolfs Torg at 19.00.

It's walking distance. There will be a group that will meet at the hotel lobby at 18.40 to go there together. In your registration folders you have a small map where the City Hall is marked. The address is Börsen Gustav Adolfs Torg if someone prefers to go there on their own.

Börsen (the Exchange) was built between 1844 and 1849 as a commodity exchange and meeting-place for the merchants as well as banqueting locality for the town authorities.

The house was rebuilt in the early 1900s to serve as a modern town hall for the fast growing Göteborg.

### **Tram tour, followed by dinner at the Långedrag's Vårdshus.**

**Thursday July 3, 18.30**

*Ringlinjen* is a non-profit organisation which runs vintage (veteran) trams in the city of Göteborg during the summer. We will take a trip back in time, into the public transportation of the last century and enjoy a tour of some main parts of the city, on our way to the restaurant, *Långedrag's Vårdshus*, which is situated at a beautiful area by the sea, close to the water with a fantastic view.

There will be a veteran tram picking us up at the tramstop outside the hotel at 18:30.

Please note: *Be there in time.* The tram *cannot wait* for us, it uses an ordinary tram-stop shared by the public-transport tram lines also. Because of that, we might have to wait for it. If you miss the veteran tram, you have to take an ordinary tram (see instructions below). After the dinner, as people may want to leave asynchronously, *there is no scheduled time for departure from the restaurant.* Please find below information on how to get back to the hotel from *Långedrag*, together with tram schedule information.
