

Schedule for **PhD Course in Security Metrics** (supported by [SWITS](#))

Course responsible: prof Erland Jonsson, CSE dept, Chalmers

Seminar	Date	Topic	Location
0	2010-10-06	Course Introduction /Measurement theory	Chalmers
1	2010-10-06	Taxonomies	Chalmers
2	2010-11-10	Basic problems, approaches and research directions	Chalmers
3	2010-11-10	Security modelling for metrics	Chalmers
4	2010-11-30	An Organisational view of security metrics	Stockholm University
5	2010-11-30	Open Seminar: Measuring information security	Stockholm University
6	2011-01-25	Effort-based metrics of operational security I	Chalmers
7	2011-01-25	Effort-based metrics of operational security II	Chalmers
8	2011-02-16	Privacy and anonymity metrics	Karlstad University
9	2011-02-16	Privacy and anonymity metrics	Karlstad University
10	2011-04-07	Some problems in quantified security	Chalmers
11	2011-04-07	Risk-related approaches	Chalmers
12	2011-05-20	Standards for security metrics	KTH
13	2011-05-20	Behavioural security metrics	KTH
