

EDA223/DIT162 final course grade calculation

		'Examination' course element (points)				
		24 - 31.5	32 - 35.5	36 - 43.5	44 - 47.5	48 - 60
'Laboratory' course element (grade)	5	3	4	4	5	5
	4	3	3	4	4	5
	3	3	3	3	4	4

Notes:

- 1) A Pass grade for the entire course requires a Pass grade for both course elements.
- 2) GU students use Chalmers grade in Canvas, but get corresponding final GU grade in Ladok:
G = Chalmers grade 3 or 4; **VG** = Chalmers grade 5
