Errata for SPIN/Promela tutorial

August 30, 2018

This is a minor errata for errors found in the Promela tutorial.

- The URL to the SPIN web interface is `http://cse-212294.cse.chalmers.se/courses/cp/spin/`.

- In the text on page 7, it incorrectly states `finished == 0`. This should be `finished == 2`.

- Also on page 7, it says to ensure "Mode" is set to "Verify". The "Mode" should be set to "Safety".
